POWERBALL Double Play FAQs

- What is Double Play?
  Double Play is a new add-on feature to the Powerball game. For an additional $1 per play, you will have another chance to match your Powerball numbers in a second-chance drawing with a top cash prize of $10 million.

- Will I have two separate sets of numbers - one set of numbers for the Powerball drawing and a second set of numbers for Double Play drawing?
  No. You will use the same set of numbers for the Powerball drawing and Double Play drawing.

- Will my Powerball ticket with the Double Play add-on feature be eligible to win prizes in both the Powerball drawing and Double Play drawing?
  Yes. Powerball tickets that include the Double Play add-on feature will be eligible to win prizes in both the Powerball drawing and Double Play drawing.

- Will Power Play apply to prizes won in the Double Play drawing?
  No. Power Play does not apply to Double Play prizes.

- Can a Powerball ticket include both the Power Play add-on feature and Double Play add-on feature?
  Yes. Powerball tickets can include both add-on features for a total price of $4 per play. You may also elect to purchase one or none of the add-on features:
  - Powerball - $2
  - Powerball + Power Play - $3
  - Powerball + Double Play - $3
  - Powerball + Power Play + Double Play - $4

- What are the odds for the Double Play drawing?
  The Double Play drawing will have the same odds as the Powerball drawing since the two pools of numbers from which the winning numbers are drawn are the same (5/69 + 1/26).
